

## GUIDE FOR PROPORTIONATE GIVING FOR CHRIST'S WORK

The Bible teaches that we should return to God a portion of what he has given us. As stewards, or caretakers, of the resources to which we have been entrusted, we need to consider carefully what we do with them. The table below provides examples of annual giving as a percentage of annual income. What percent is your current pledge? Think about stretching and going to the next level. You will be surprised at how easy it is to achieve!
